Policy

The college ensures that:

- It enters into a written agreement with any third parties who provide services on behalf of the college including education agents.
- The written agreement must include:
 - The responsibilities of the college including compliance with ESOS Act and National Code 2018
 - The college's requirements of the agent in representing the college. As a minimum, it includes the following:
 - The agent must declare in writing and take reasonable steps to avoid conflicts of interest as the education agent. Examples of what constitutes conflicts of interest are outlined in the written agreement.
 - The agent must observe appropriate levels of confidentiality and transparency in their dealings with overseas students or intending overseas students
 - The agent must act honestly and in good faith, and in the best interest of the student
 - The agent must have appropriate knowledge and understanding of the international education system in Australia, including the Australian International Education and Training Agent Code of Ethics.
 - The college's monitoring processes to ensure accurate and up to date information is provided to students at all times.
 - The corrective actions taken by the college if there is a reason to believe that the agent (including its employees or subcontractors) has not complied with any of requirements as outlined the agreement. Corrective actions may include:
